THE COLE NURSERY CO.

PAINESVILLE, OHIO PHONE 4394

VISIT OUR NEW HOME ON WEST JACKSON STREET
3 miles West of Painesville

TRUCK DELIVERIES

During planting season, we are making daily deliveries to Cleveland and vicinity, and frequent deliveries to other cities within two hundred miles of Painesville. Charges reasonable.

TERMS

3% OFF FOR CASH before shipment on purchases at prices listed herein. Be certain to add enough to cover packing. This will eliminate C. O. D. costs. Over-payments will be returned promptly.

To parties having satisfactory credit arrangement or account with us 1% 10 days, 30 days net.

No claims for rejections or deficiencies will be entertained unless made within 10 days after arrival of goods.

RESPONSIBILITY

We endeavor to send our patrons the grade and quality of stock ordered. We do not guarantee our products or assume any responsibility after they leave our nursery, as conditions always exist over which we have no control. It is understood, in case of error on our part, that we shall not be responsible for a greater amount than the price paid.

COLE'S

New Truehedge Columnberry

Berberis Thunbergi Erecta (Plant Patent No. 110)

HELPFUL BOOKS

SHRUBS AND VINES FOR AMERICAN GARDENS

By Donald Wyman

Photographs, Drawings, Maps: 442 Pages

One of the finest basic books for gardeners. A thorough evaluation of the best, most practical shrubs and vines for all of the United States and Canada. Numerous lists of plants for specific growing conditions, discussions of autumn color, winter beauty, flower and fruit characteristics. Complete cultural advice for the more difficult plants. Postpaid — \$7.50.

FLORICULTURE—FUNDAMENTALS AND PRACTICES

By Alex Laurie and Victor H. Ries

Second Edition — 252 Pages, 1950

One of the most practical, accurate references. Contains sound, precise information in compact form, valuable to the most advanced grower. The newer developments in soils, fertilizers, pest control, etc. are presented with specific recommendations.

Every phase of home gardening is covered, from How Plants Grow, through Garden and Landscape Design. Postpaid — \$5.00.

BOOK OF SHRUBS

By Alfred C. Hottes

5th Edition — 448 Pages — 190 Illus.

A mine of information on everything relating to woody shrubs as grown in all sections of the country. Numerous lists of different shrubs for various purposes and full details of care for them afterwards. Many pictures and diagrams are included to make things more understandable. Prepaid — \$4.00.

THE BOOK OF TREES

By Alfred C. Hottes

2nd Edition — 448 Pages — 200 Illus.

An all-round handbook for the tree lover and three planter. Hundreds of trees are pictured and described, with notes on their uses, adaptabilities, and care. Transplanting, pruning and propagation are covered and a variety of helpful lists for many purposes are given. There are chapters on street trees, on roadside trees, on nut trees, on trees important in American history, etc.. Prepaid — \$4.00.

LINING OUT STOCK LIST

*Includes many plants of a light salable grade .

Br. — Branched. Tr. — Transplants. S. — Seedlings.
H. W. C. — Rooted hardwood cuttings
